

SimplyGo App User Guide

Can I still access my EZ-Link account via the EZ-Link app after I update to the Enhanced SimplyGo app?

30/08/2024 10:09 am +08

Yes, you can still access your EZ-Link account via the EZ-Link app after you have updated to the Enhanced SimplyGo app. You will need to use the new login credentials you had confirmed during the account synchronisation.
